„ Investment in reconstruction of the facility of Lazar Winery ltd for the improvement of the quality of the services in wine tourism, hospitality and accommodation in the scope of the development of the overall tourism sector “

Municipality of Rosoman within the **“Local and Regional Competitiveness Project”** supported by the EU, administered by the World Bank and implemented by the Cabinet for Deputy Prime Minister in charge of Economic Affairs, project component „Investment in tourism-related infrastructure and linkages at destinations“, prepared and submitted a project proposal called **„Investment in reconstruction of the facility of Lazar Winery ltd for the improvement of the quality of the services in wine tourism, hospitality and accommodation in the scope of the development of the overall tourism sector“** for obtaining grant for financing the project. **The main goal** of the project is to strengthen the tourist potential of Lazar Winery by opening a modern restaurant and accommodation facility that in one place will satisfy wide range of tourists needs in the destination.

As a part of the project proposal, Lazar Winery prepared an Environmental and Social Management Plan Checklist for the project „ Investment in reconstruction of the facility of Lazar Winery ltd for the improvement of the quality of the services in wine tourism, hospitality and accommodation in the scope of the development of the overall tourism sector“ in order to identify and estimate the potential impacts on the environmental impacts of the project activities for reconstruction and adaptation of the winery building into a modern hospitality center. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
