„ Construction of SPA center, Turkish bath, Sauna and Construction of Lounge Bar in Hotel  
Montenegro

“

Municipality of **Veles** within the **“Local and Regional Competitiveness Project“** supported by the EU, administered by the World Bank and implemented by the Cabinet for Deputy Prime Minister in charge of Economic Affairs, project component „Investment in tourism-related infrastructure and linkages at destinations“, prepared and submitted a project proposal called **„ Construction of SPA center, Turkish bath, Sauna and Construction of Lounge Bar in Hotel Montenegro“** for obtaining grant for financing the project. **The main goal** of the project is to strengthen the tourist potential of Hotel Montenegro Rivijera by opening a modern visitor center that in one place will satisfy wide range of tourists needs in the destination.

As a part of the project proposal, **„ Construction of SPA center, Turkish bath, Sauna and Construction of Lounge Bar in Hotel Montenegro“** prepared an Environmental and Social Management Plan Checklist for the project **„ Construction of SPA center, Turkish bath, Sauna and Construction of Lounge Bar in Hotel Montenegro“** “in order to identify and estimate the potential impacts on the environmental impacts of the project activities for reconstruction and adaptation of the old and abandoned school building into a modern visitor center. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
