„ Expand and reconstruction of an accommodation facility to expand the supply and raise the quality of accommodation and improve competitiveness “

Municipality of Ohrid, within the **“Local and Regional Competitiveness Project”** supported by the EU, administered by the World Bank and implemented by the Cabinet for Deputy Prime Minister in charge of Economic Affairs, project component „Investment in tourism-related infrastructure and linkages at destinations“, prepared and submitted a project proposal called **„Expand and reconstruction of an accommodation facility to expand the supply and raise the quality of accommodation and improve competitiveness“** for obtaining grant for financing the project. **The main goal** of the project of **“BASHOMAN L&S”** is to obtain accommodation facilities that ensure compliance with the expectations and needs of targeted tourists in the destination.

As a part of the project proposal, **“BASHOMAN L&S”** prepared an Environmental and Social Management Plan Checklist for the project **“Expand and reconstruction of an accommodation facility to expand the supply and raise the quality of accommodation and improve competitiveness “** in order to identify and estimate the potential environment impacts of the project activities for expand and reconstruction of an accommodation facility. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
