

Comments and Suggestion Form

Project "Adaptation of part of the ground floor and the open yard of the Museum of the City of Skopje"

Municipality of Skopje within the "Local and Regional Competitiveness Project" supported by the EU, administered by the World Bank and implemented by the Cabinet for Deputy Prime Minister in charge of Economic Affairs, project component „Investment in tourism-related infrastructure and linkages at destinations“, prepared and submitted a project proposal called "Adaptation on part of the ground floor and the open court of the Museum of the City of Skopje" for obtaining grant for financing the project. **The main goal** of the project is to strengthen the tourist potential of Municipality of Centar by adaptation of the Museum of the city of Skopje that in one place will satisfy wide range of tourists needs in the destination.

Museum of the City of Skopje, within the framework of the application, prepared the Cultural Heritage Management Plan "in order to timely identify and assess the potential impacts on the cultural heritage of the project activities for adaptation to the" Museum of the City of Skopje "- Skopje. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the projected activities planned.

Electronic version of the plan for management of works on cultural heritage is available at:
