„LAKE PRILEP – NEW ADVENTURES, NEW OPPORTUNITIES “

Municipality of Prilep within the **“Local and Regional Competitiveness Project”** supported by the EU, administered by the World Bank and implemented by the Cabinet for Deputy Prime Minister in charge of Economic Affairs, project component „Investment in tourism-related infrastructure and linkages at destinations”, prepared and submitted a project proposal called **„Lake Prilep – New adventures, new opportunities”** for obtaining grant for financing the project. **The main objective** of the project is to improve accessibility to tourist attraction sites, the quality and experiences of the tourist offer in Prilep and Pelagonija and increase the competitiveness of local businesses and employment.

As a part of the project proposal, Municipality of Prilep prepared an Environmental and Social Management Plan for the project **„Lake Prilep – New adventures, new opportunities”** in order to identify and estimate the potential impacts on the environmental impacts of the project activities for construction of bicycle track from the place so-called Markova Cheshma to the access road to village of Prasad, construction of an access street with parking for light motor vehicles, construction of a plateau with terraces, gazebos and urban equipment, construction of open sports playgrounds and construction of pedestrian path. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
