„KULT OF WATER“**

**DPTUT PODGORSKI-AN** within the “**Local and Regional Competitiveness Project**“ supported by the EU, administered by the World Bank and implemented by the Cabinet for Deputy Prime Minister in charge of Economic Affairs, project component „Investment in tourism-related infrastructure and linkages at destinations“, prepared and submitted a project proposal called „**KULT OF WATER**“ for obtaining grant for financing the project. **The main goal** of the project is to strengthen the tourist potential of Hotel Pela by opening a modern visitor center that in one place will satisfy wide range of tourists needs in the destination.

As a part of the project proposal, **DPTUT PODGORSKI-AN** prepared an Environmental and Social Management Plan Checklist for the project „ **KULT OF WATER** “ in order to identify and estimate the potential impacts on the environmental impacts of the project activities for reconstruction and adaptation of the old and abandoned school building into a modern visitor center. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
