„Sports Adrenaline Park - Karpos“**

Municipality of Karpos within the **“Local and Regional Competitiveness Project”** supported by the EU, administered by the World Bank and implemented by the Cabinet for Deputy Prime Minister in charge of Economic Affairs, project component „Investment in tourism-related infrastructure and linkages at destinations”, prepared and submitted a project proposal called **„Sports Adrenaline Park – Karpos”** for obtaining grant for financing the project.

**The main goal** of the project is to improve and expand the tourist and sports offer, in order to attract domestic and foreign visitors and groups, offering them a unique corner for sports, recreation and social gatherings under much better conditions of clean air and natural beauties that the river and its coastline offered.

As a part of the project proposal, Municipality of Karpos prepared an Environmental and Social Management Plan Checklist for the project **„Sports Adrenaline Park – Karpos”** in order to identify and estimate the potential impacts on the environmental impacts of the project activities for construction of sports adrenaline park in the municipality of Karpos. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
