

Comments and Suggestion Form regarding the Project "Economic valorization of cultural and alternative tourist offer of the Tsar's Towers in tourist destination Strumica"

Project for "Economic valorization of cultural and alternative tourist offer of the Tsar's Towers in tourist destination Strumica" within the **"Local and Regional Competitiveness Project"** supported by the EU, administered by the **World Bank** and implemented by the **Cabinet for Deputy Prime Minister in charge of Economic Affairs**, project component „Investment in tourism-related infrastructure and linkages at destinations“, is a touristic potential for Municipality of Strumica through restoration and reconstruction of Tsar's Towers - Strumica that in one place will satisfy wide range of tourists needs in the destination.

Within the frameworks of application, Municipality of Strumica has prepared a **"Plan for Management of Cultural Heritage"** and a **"Plan for Management of the Environment and social aspect"**, in order to identify and estimate the potential impacts on the cultural heritage and environment due to project activities for restoration and reconstruction of Tsar's Towers - Strumica. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
