„Better Sports Airports Bring Prosperity for the Municipality“

Air Transport Company AEROKLUB SKOPJE DOO, Chucher Sandevo within the **“Local and Regional Competitiveness Project“** supported by **EU, World Bank and Ministry for Finance of RM**, project component **„Investment in tourism-related infrastructure and linkages at destinations“**, prepared and submitted a project proposal called **„Better Sports Airports Bring Prosperity for the Municipality“** for obtaining grant for financing the project.

The overall objective is creating a destination nearby the city of Skopje through the reconstruction of the tourist/accommodation facility in the location Sports airport Stenkovec, made in the spirit of aeronautics so that the visitors who come at the airport may try some of the local cuisine specialties and enjoy the sports activities. Tourism will have a major contribution to local economic development and opening new jobs, a destination known for active tourists.

As a part of the project proposal, AKS DOO prepare Environmental and Social Management Plan Checklist for the project **“Better Sports Airports Bring Prosperity for the Municipality“** in order to identify and estimate the potential impacts on the environmental impacts of the project activities for arranging the space by reconstruction of a restaurant that may seat 250 visitors, the renovation of the accommodation capacity of 6 rooms. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
