“Fostering Alternative Tourism in Rural Areas of Polog”

Center for Development of the Polog Planning Region within the **“Local and Regional Competitiveness Project”** supported by the EU, administered by the World Bank and implemented by the Cabinet for Deputy Prime Minister in charge of Economic Affairs, project component „Investment in tourism-related infrastructure and linkages at destinations“, prepared and submitted a project proposal called **“Fostering Alternative Tourism in Rural Areas of Polog”** for obtaining grant for financing the project. The main goal of the project is strengthening of economic development by increase in the competitiveness of the Polog region as a touristic destination, while effectively adapting to the requirements of the domestic and foreign markets and contributing creation of new jobs.

As a part of the project proposal, Center for Development of the Polog Planning Region prepared an Environmental and Social Management Plan for the project „Fostering Alternative Tourism in Rural Areas of Polog” “ in order to identify and estimate the potential impacts on the environment of the project activities for reconstruction, installation and adaptation works within the aforementioned sub-project activities. The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
