for the adaptation of the Kratovo House with an old-town profane 19th century architecture "House on st. Mitko Kaleninski no.5, Kratovo

The project for the adaptation of the Kratovo House with an old-town profane 19th century architecture within the "Local and Regional Competitiveness Project" supported by the EU, administered by the World Bank and implemented by the Cabinet for Deputy Prime Minister in charge of Economic Affairs, project component „Investment in tourism-related infrastructure and linkages at destinations“, prepared and submitted a project proposal called "The House of Sokolovi" for obtaining grant for financing the project. The main goal of the project is to strengthen the tourist potential of Municipality of Kratovo by restoration and adaptation "House on st. Mitko Kaleninski no.5, Kratovo which will be converted for tourist purposes as an overnight stay, in an authentic traditional old town ambience.

The Association of Citizens "The House of Sokolovi", within the application, prepared Cultural Heritage Site Management Plan, in order to identify and estimate the potential impacts on the project activities for reconstruction and adaptation of "House on st. Mitko Kaleninski no.5".

The plan also contains measures for prevention, minimization and mitigation of the possible negative impacts from the realization of the planned project activities.
